Toyota MR2 Roadster

Experience pure excitement

The MR2 Roadster completely redefines the concept of performance motoring. A car of the twenty-first century, it was designed to excel and built for real enjoyment.

Available in two versions – the MR2 Roadster and MR2 Roadster SMT (Sequential Manual Transmission) – it is a highly responsive, mid-engined, rear-wheel-drive roadster that delivers outstanding performance.

The appeal runs deeper than just technical excellence. It's about a purity of design and a driving experience that engages the senses and stirs the emotions.

It's nothing less than 100 per cent genuine sports car.

Sequential Manual Transmission (SMT) shown

Dynamic styling

The MR2 Roadster looks every bit as exciting as it performs. Nothing else moves you quite as much – on the road or on the driveway.

Its radical flowing lines ensure that it looks impressive from any angle – from its bold front design, incorporating fog lamps, projector type headlamps and mesh-effect low grille through to its distinctive rear light cluster, high-mounted stop lamp and stainless steel exhaust finish.

With colour-keyed bumpers, door handles and exterior mirrors – in a choice of seven exciting colours from Chilli Red to Astral Black – the MR2 Roadster looks distinctly individual, definitely a cut above the rest.

Its side profile is enhanced by stylish air inlets and the addition of 16-inch alloy wheels at the rear to complement the 15-inch front alloys. The MR2 Roadster sits low and wide – just like a performance roadster should.

The soft top has an easy raise/lower mechanism that leaves it perfectly flat when not in use – there's no need for a separate cover – while the optional colour-keyed hard top is fully detachable. Both tops incorporate a heated glass rear window.

The MR2 Roadster's unique, streamlined styling gives more than a hint of the untold excitement to come.

The soft top is both stylish and functional. It folds down in a way that ensures the interior lining is not exposed to dirt. And unlike many cars in its class, it comes with the practicality and durability of a heated glass rear window.

This factory fitted stylish detachable hard top is yet another way to enjoy the pleasures of the MR2 Roadster.

Advanced technology delivers driver satisfaction

VVT-i

Sophisticated automotive engineering from Toyota is what makes the MR2 Roadster so genuine and so fun to drive.

Its 1.8 litre engine incorporates VVT-i technology (Variable Valve Timing with intelligence) which, through a computerised control, ensures that intake valve timing automatically adjusts to engine speed and accelerator pressure. This delivers responsive acceleration and low fuel consumption, flexibility that can be fully exploited with the six speed transmission.

Just as innovative, the MR2 Roadster SMT features a six speed Sequential Manual Transmission (SMT). This exciting development enables the driver to change gear either via

steering-wheel-mounted controls or a sequential gear-lever. As there is no clutch it results in fast, smooth gear changing.

Both the MR2 Roadster and MR2 Roadster SMT are equipped with all-round MacPherson strut suspension which has been refined to create a flatter ride with a better balance between handling and stability. And weighing in at just 990 kg (1005 kg for the SMT) whilst producing an impressive 125lb/ft of torque, they have class-leading power-to-weight ratios.

What's more, they each develop 138 bhp at 6,400 rpm. But then figures alone can never adequately describe just how exhilarating they are to drive.

Sequential Manual Transmission means fast easy gear-shifting, via steering-wheel-mounted controls or a sequential gear-lever.

Powerful

VVT-i engine technology helps the MR2 Roadster achieve lively and responsive performance coupled with optimum fuel efficiency.

Responsive

The compact 1.8-litre, 16-valve, 4-cylinder engine delivers sporty performance throughout the whole rpm range.

No compromise on comfort

To maximise the unrestrained pleasure of open-top motoring, the MR2 Roadster is equipped to impress even the most demanding of drivers.

Power windows and side mirrors are standard, as is power steering. The sports-style seats are fully adjustable and, for the driver, height-adjustable as well, which together with the stepless tilt adjustable steering column, makes it easy to find the most comfortable driving position.

The three-spoke steering wheel and gearshift knob are clad in leather for a touch of luxury. But for even more refinement you can opt for full leather upholstery, air-conditioning and Toyota's advanced Satellite Navigation System with Electronic Traffic Avoidance (ETA). This gives you accurate route guidance, as well as alerting you instantly to any traffic problems.

All controls are within easy reach of the driver – including those for the four-speaker RDS radio/CD player – while chrome handles and aluminium sports pedals visibly enhance the MR2 Roadster's sporty appeal.

The MR2 Roadster – designed and equipped to deliver true driver enjoyment.

To maximise driver control, the sports-style instruments with their clear readouts are perfectly positioned for instant information and response.

Satellite navigation

Opt for Toyota's advanced satellite navigation system with Electronic Traffic Avoidance and finding your destination couldn't be easier.

Alloy pedals

Aluminium pedals underline the MR2 Roadster's sports credentials.

Sequential Manual Transmission

The Sequential Manual Transmission gear-lever is easy to operate with only three positions, which are visually indicated via an LCD display within the rev counter binnacle.

Rear storage

Storage spaces include the front box which accommodates the space saver spare wheel as well as small items, and a lock-up luggage space behind the seats.

Safety assured

You may well choose the MR2 Roadster purely for the thrill of driving. But it's reassuring to know that Toyota's engineers have left nothing to chance when it comes to safety.

The 138 bhp that satisfies your urge for exciting performance is balanced by ABS braking and ventilated discs to ensure controlled, stable braking.

In addition, the MR2 Roadster SMT incorporates the innovative features of Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA), which automatically aid the driver to control the effects of wheel spin, correct any understeer or oversteer and supplement braking force if required.

The highly rigid body incorporates crumple zones front and rear as well side-impact beams. And both driver and passenger are protected by airbags, complementing the three-point seatbelts with pre-tensioners and force limiters.

For the MR2's own protection, it comes with remote central double-locking, engine immobiliser, alarm and window-etching. Which all leaves you free to enjoy the car's full potential with confidence and reassurance.

Whiplash injury protection

Toyota's special safety system helps to reduce whiplash neck injuries.

Airbags

The MR2 Roadster offers the reassurance of front and passenger airbags as standard across the range.

VSC, TRC and BA

Active safety features such as Vehicle Stability Control (VSC), Traction Control (TRC) and Brake Assist (BA) are standard on the MR2 Roadster SMT, affording the driver unparalleled control in adverse driving conditions.

Anti-lock Braking System (ABS)

Standard ABS improves stability under severe braking.

Easy Start

With Easy Start finding a large deposit is not an issue. Just the equivalent of one monthly payment in advance is all that is needed to drive away in a MR2 Roadster. This simple and innovative plan, based on our popular PCP Drive Plan, is ideal for younger customers or families on a tight budget.

Easy Drive

Easy Drive is a comprehensive finance package, with one monthly payment taking care of most of your motoring needs for 2 or 3 years. The plan includes the cost of a MR2 Roadster on a PCP Drive Plan, an Easy Care servicing plan covering routine major and intermediate services and extended membership of Club Toyota. As a further option you can also include the cost of car insurance from Toyota Insurance in your monthly payment.

Easy Care

For those who value the peace of mind of a pre-paid servicing package we can offer Toyota Easy Care. The plan ensures that your MR2 Roadster will receive the very best maintenance and servicing. Easy Care covers routine major services (including routine servicing, parts and labour) and intermediate oil and filter services.

Business Drive

Business Drive offers the security of a fully maintained Contract Hire package, ideally suited for VAT registered businesses. The package offers a host of benefits including reduced capital outlay, all-inclusive monthly rentals and no depreciation, disposal or administration problems.

Flexible Finance

However, Drive Plans are about more than just these four schemes. Whatever your needs, Toyota has a full range of finance options to offer you. Whether you're a private motorist or a business customer, just discuss your individual requirements with your Toyota Centre, who will be pleased to help you choose a Drive Plan to suit you.

Typical Example

PCP Drive Plan – MR2 Roadster 1.8 VVT-i 2dr

On the road cash price	£17,145.00
Deposit/Initial payment	£4,323.20
35 Monthly payments	£264.00
Guaranteed Future Value/ Final Payment	£7,656.30
Total amount payable*	£21,259.50
APR	14.1%

Based on PCP Drive Plan with a mileage limit of 30,000 miles over the period of the agreement. Excess mileage charged at 10.6p (inc VAT) per mile.

*Includes £90 Acceptance Fee (payable in first payment) and £40 Option to Purchase Fee (payable with final payment).

Licensed credit broker. Written quotations on request from Toyota Financial Services, Great Burgh, Burgh Heath, Epsom, Surrey KT18 5UX. All finance subject to status to over 18's only. Indemnities may be required. Prices correct at time of going to press and include VAT, delivery charge, number plates, one years road fund licence and £38 first registration fee.

Drive plans from Toyota Financial Services

We want to make acquiring and maintaining your MR2 Roadster as easy as driving one. Our range of Toyota Drive Plans have been designed specifically with this in mind, to offer you a choice of affordable ways to finance, service and maintain your new car. Above all our plans offer flexibility, easy budgeting and peace of mind and can be arranged as a one-stop-shop when you select your MR2 Roadster.

Become truly original

Everyone likes to be different, to express their own individuality. Which is why Toyota has developed an exciting range of quality accessories specially for the MR2 Roadster.

Choose for comfort, convenience or style according to your motoring needs and lifestyle – and let your MR2 Roadster reflect your personality. Stand out from the crowd.

Because all the accessories are genuine Toyota products, you can rely on their quality, reliability and performance. What's more, you'll know they'll harmonise perfectly with the MR2 Roadster's distinctive design and image – for style, fit and colour.

See how you can add to the unique experience of owning an exhilarating performance roadster – and make driving it an even greater pleasure. Ask your Toyota Centre for details of the full range of our quality accessories.

Body Styling Kit

Enhance the already stunning looks of the Toyota MR2 Roadster with the body styling kit. Comprising colour coded front and rear bumper extensions and sleek side skirts; it integrates seamlessly, subtly extending the lines and curves of the body to provide a taut, dynamic profile.

Available either at the time you buy your new MR2 or fitted after the vehicle has been purchased, the kit guarantees that wherever you go, you'll make an impact.

(The rear bumper extensions are illustrated on page 17.)

Black and Tan

Custom colours

Everyone is a unique individual with different styles and characteristics. We all enjoy displaying our own particular individuality. Now, thanks to Toyota's custom range of coloured leather, you can indulge yourself in the ultimate expression of originality by creating a perfect MR2 Roadster interior to reflect your individual taste and personality.

You can choose from a range of nine colours - from striking Chilli Red to discreet Silver Grey - to cover your seats and door panels in top-quality, luxuriously soft natural leather. But the real, exciting option is that you can select any combination of the nine colours across the seats and panels to deliver a definitive, personal statement. And that colour choice even includes the stitching.

Can there be a better way of showing your true colours?

Consult your local Toyota Centre who will be able to recommend the best combination of colours to suit your needs. Please make your coloured leather choices at the time of ordering your MR2 Roadster.

Peace of mind

Toyota's global reputation for quality and integrity means the MR2 Roadster can add peace of mind to its own highly individual range of attributes.

On the day you purchase your MR2 Roadster, your Toyota Centre will present you with a 'MR2 Roadster Passport'; a guide to living with your MR2 Roadster and making the most of its considerable range of features. Your Toyota Centre will explain the car to you, and always be there, should you require any assistance.

Health and Safety

Your Toyota Centre will also talk you through MR2 Roadster's very own Health and Safety programme. It's very simple. Your MR2 Roadster will only need a full 'Health and Safety' check once every two years, or 20,000 miles if you enjoy driving it as much as we think you will. An intermediate oil change with additional 'Health and Safety' checks are also required every year or 10,000 miles.

Warranty

We're so confident each and every MR2 Roadster is so well built that it comes with a three-year or 60,000 miles warranty against any mechanical failure. In addition, the paintwork, no matter what you select, is guaranteed against imperfections for three years too. Also, the body is guaranteed for 12 years against corrosion perforation.

Customer Services

When you buy a Toyota, you automatically become a member of one of the most exciting and innovative clubs for car owners in the UK – Club Toyota. As well as giving you one year's free RAC Roadside Assistance in the UK and Europe, Club membership provides a host of other valuable benefits. These include special rates for car and travel insurance plus an exclusive travel service designed to save you time and money. Club Toyota also offers you family membership and the opportunity to participate in a variety of special offers and promotions. You'll find all the details in the quarterly magazine written specifically for Toyota drivers: In Front. To find out more about Club Toyota call 0845 275 5555.

Toyota Insurance is available for Toyota owners at competitive premiums. To obtain details of the benefits included and to arrange a quotation, please contact your local Toyota Centre or call 0800 350 500.

Toyota Fleet provides complete business solutions for companies that run a fleet of vehicles. For more information on how Toyota Fleet can deliver your fleet requirements either contact your local Toyota Centre or the Toyota Fleet Business Centre on 0845 271 2712.

Toyota Drive Plans make acquiring and maintaining your new car as easy as driving it. They offer a choice of affordable ways to help you buy, finance, service and maintain your Toyota. The range of plans has been structured to offer you flexibility, easy budgeting and peace of mind.

- Easy Start is an exciting new low deposit plan.
- Easy Care offers the complete reassurance of prepaid servicing.
- Easy Drive is a comprehensive plan which takes care of most of your motoring needs for 2 to 3 years with one monthly payment.
- Business Drive is a fully maintained contract hire package most suited to small business customers.

Whatever your personal preference, your Toyota Centre can tailor a Drive Plan to suit your needs perfectly – driving a new car has never been so easy.

Written quotations available on request. All agreements subject to status. Indemnities may be required.

Every new Toyota comes with a three year/60,000 mile manufacturers warranty. Toyota offers you the opportunity to renew your warranty annually after the initial warranty period expires until the vehicle is 7 years old. No unexpected bills or concerns. In fact, nothing to pay beyond routine servicing and maintenance.

Toyota warranties offer equivalent cover to the manufacturers warranty, covering all of the main components of your vehicle (with the exception of batteries, corrosion of exhaust and damage or wear to interior trim).

Our warranty range offers you choice and flexibility, based on the vehicles age and engine size. All allow for an unlimited annual mileage and special low user discounts are available for those covering less than 10,000 miles a year. Warranty cover also includes Club Toyota membership including RAC Roadside Assistance, car hire up to 5 days after the first 24 hours, hotel expenses and free MOT test cover.

For further information please contact your local Toyota Centre.

In the event of an emergency Toyota offers free of charge to Toyota owners a comprehensive management service which includes advice, assistance and practical help. Please contact your local Toyota Centre for further details.

Toyota Approved Used Car Scheme. Please contact your local Toyota Centre for details.

The pulp used in this paper is chlorine free and comes from sustainable sources. Please refer to www.toyota.co.uk for further environmental information.
